

TERTIARY EDUCATION

POLICY

ICPA seeks to ensure that students from rural and remote areas have access to tertiary education options which will enable them to pursue the career path of their choice.

OBJECTIVES

1. The Federal Government introduce a tertiary access allowance as financial assistance for rural and remote students who must live away from home to access tertiary education.
2. Commonwealth-supported places be available at universities for all qualifying applicants.
3. On-campus accommodation be available to cater for rural and remote students.
4. Bursaries and scholarships offered by residential university colleges, targeting rural and remote students, be subject to need and not dependent on receipt of Youth Allowance.
5. The Federal Government and education providers continue to assist rural and remote students by providing equity scholarships.
6. Scholarships and bursaries be excluded from assessable income for the purpose of student income support.
7. Services be available to assist students with specific learning needs undertaking tertiary study.
8. Rural and remote tertiary students, who must live away from home to access further education upon completion of secondary school and do not qualify for dependent Youth Allowance, be classified as independent for Youth Allowance purposes.
9. Students in receipt of Youth Allowance at the independent rate due to family assessment based on successful entitlement to the Farm Household Allowance and due to assessment based on drought, fire, flood or other natural disaster impacts remain eligible for payments at that rate until the completion of their course.
10. Eligibility criteria for Youth Allowance be exclusive of the assessment of family assets and family actual means for rural and remote students.
