TRAINING

POLICY:

ICPA seeks to ensure that students from rural and remote areas have access to affordable training opportunities and options which will enable them to pursue the career path of their choice.

OBJECTIVES:

1. A Living Away from Home Allowance (LAFHA) be available for apprentices and trainees who are required to move and live away from their family home in order to access components of their qualification.
2. The LAFHA closely reflect the actual cost of living away from home.
3. The LAFHA eligibility period post-school, be longer than 36 months for rural and remote school-based apprentices who transfer, at the completion of secondary schooling, to full time employment with the same apprenticeship.
4. Travel and accommodation allowances be paid to apprentices and trainees when required to travel to access a training provider.
