

Qantas Discounted Fares for Residents Program

Qantas recognises that communities in regional Australia rely on air travel
That's why we've taken real action to make our services more accessible and affordable for regional residents through the Qantas Discounted Fares for Residents Program

Purpose of the Discounted Fares program

The discounted fares program was launched in 2017 in response to concerns around the cost of air travel in selected regional cities where residents compete with a very high proportion of travel from the resources industry or are impacted by their remoteness.

How the program works

- 20-30% off the Qantas-controlled component of return airfares;
- Available on all economy fares except for sale fares;
- Can be purchased until 30 minutes before a flight's departure; and
- Removal of the \$99 change fee to provide flexibility if travel plans change.

To access the discount, residents need to book a return flight on Qantas and be a member of the Qantas Frequent Flyer Program.

Qantas is waiving the usual joining fee of \$89.50 for residents who aren't already members. You can sign up via qantas.com/freejoin.

Who is eligible

The program is available for residents of selected regional centres in Queensland, Western Australia and Northern Territory.

Customers must live in or near one of the cities listed in the below table, or have that airport as their closest Qantas Group serviced port.

WA – to Perth

Broome
Kalgoorlie
Karratha
Paraburdoo
Port Hedland
Newman

QLD – to Brisbane

Mount Isa (and to Townsville)
Cloncurry (and to Townsville)
Moranbah
Longreach
Blackall
Barcaldine

NT – to Darwin

Alice Springs
Uluru

To book, follow these six steps:

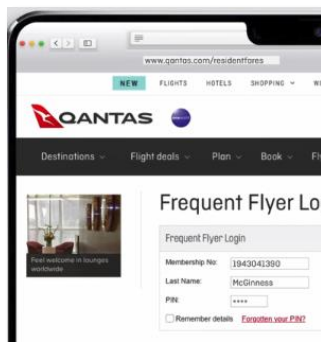

1

You'll need to be a Qantas Frequent Flyer. If you aren't, sign up for free via qantas.com/freejoin

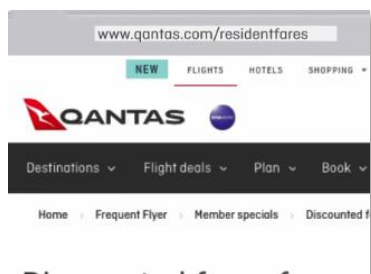

4

Log on by entering your Qantas Frequent Flyer details

2

In your web browser, visit qantas.com/residentfares

5

Search for flights from your local airport to nearest major city

3

Click the 'book now' button on the page

6

See how much you'll save on fares with a star
