

Roma and Charleville join Qantas discounted resident fare program – 16 August 2019

Background

- Residents in Roma and Charleville will now have more options and flexibility in accessing discounted airfares to Brisbane as Qantas expands its resident fare program to the regional towns.
- For the first time, discounted fares are available for booking online at qantas.com/residentfares offering a more streamlined booking process and clearer view of the discounted seats available.
- Through the website, Roma and Charleville residents can view and book the lowest discounted return fares to Brisbane available on any given date including the classic resident fares:
 - \$278 for Roma – Brisbane – Roma (\$139 each way)
 - \$326 for Charleville – Brisbane – Charleville (\$163 each way)
- The classic fares will continue to be available for booking one-way travel via local travel agents.
- Return bookings made from today through the dedicated website and local travel agents will not be subject to the standard \$99 flight change fee offering more flexibility and savings if travel plans change.
- The expansion of the program to Roma and Charleville is designed to standardise the options for accessible and affordable air travel for selected regional communities.
- Launched in 2017, the discounted resident fare program has been used to book more than 20,000 return trips by residents from 14 regional cities across Australia.

Booking details

- The discounts are available for personal travel to residents of Roma and Charleville as well as individuals who reside in surrounding towns serviced by Roma and Charleville airport for return travel to Brisbane.
- Residents can purchase up to twelve return trips per year under the program.
- To access the discounts online, residents need to book a return flight at qantas.com/residentfares and be a member of the Qantas Frequent Flyer program. Qantas is waiving the usual joining fee of \$99.50 for residents who aren't already members via qantas.com/freejoin.
